Letter Reissue – Updated Document List

Dear Daniel McCauley

Study title: Precision medicine Adaptive Network platform Trial in Hypoxaemic acute respiratory failure
REC reference: 25/NW/0103
Modification number: SA01
Modification date: 26 February 2026
IRAS project ID: 1008743

The above modification was reviewed at the meeting of the Sub-Committee held on 30 March 2026 by the Sub-Committee in correspondence.

Ethical opinion

The members of the Committee taking part in the review gave a favourable ethical opinion of the modification on the basis described in the notice of modification form and supporting documentation.

You should notify the REC by email once all conditions have been met and provide copies of any revised documentation with updated version numbers. Revised documents should be submitted to the REC electronically via email. The REC will acknowledge receipt and provide a final list of the approved documentation for the modification. Failure to provide the final versions to the REC may cause delay in obtaining permissions.

Approved documents

The documents reviewed and approved at the meeting were:

Membership of the Committee

The members of the Committee who took part in the review are listed on the attached sheet.

Working with NHS Care Organisations

Sponsors should ensure that they notify the R&D office for the relevant NHS care organisation of this modification in line with the terms detailed in the categorisation email issued by the lead nation for the study.

Statement of compliance

The Committee is constituted in accordance with the UK Research Ethics Committee (REC) Policy Document and complies fully with the Standard Operating Procedures for Research Ethics Committees in the UK.

HRA Learning

We are pleased to welcome researchers and research staff to our HRA Learning Events and online learning opportunities– see details at: <https://www.hra.nhs.uk/planning-and-improving-research/learning/>

IRAS Project ID - 1008743:	Please quote this number on all correspondence
